## Natural Family Planning Training

This one-hour session will cover topics such as The Marquette Method, an approach to assist NFP that uses fertility monitors (at home, daily) for a simple urine test to measure and track hormone levels in urine – specifically the hormones estrogen and luteinizing hormone. Sessions are available in February, July, and September. For more information, call 913-782-7515 or visit [olathehealth.org](http://olathehealth.org)

## Archbishop's Call To Share

Jesus believes that when we work through him we are the world's best hope. Our parish takes him seriously. We trust that his words in today's Gospel carry power. We know from experience that we can shine the light of Christ through good deeds. We need your help to be able to continue doing that for our local community. Our Archbishop's Call to Share appeal is a significant opportunity for you to help us advance our mission to bring the light of hope to our little corner of the world. Maybe, with your help, our Call to Share will be a link that will get at least one soul to the light of Christ. We hope for more than one. Give without counting the cost, and watch how God outdoes you. May he bless us!
